Plaintiff,

v.

Chris Terry, Dan Ferguson, Shawn Hinton,
Barton Blair, Alex Garcia, the UHP, UHP
POST

Defendants.

Motion to allow Plaintiff to bring to court
Weiner dog anal gland 'substance' and a small
amount of pot to test Chris Terry's stated ability
to smell pot over two Weiner dog's anal glands.

Case: 4:18-cv-00057

Assigned To : Nuffer, David

Assign. Date : 09/06/2018

Description: Watson v. Utah Highway Patrol et al

The Plaintiff in the above entitled matter hereby moves the court to allow him to bring in a small amount of marijuana (equal to the amount the UHP stated they seized) and Weiner dog anal gland 'extract/substance' in order to test UHP Chris Terry's ability to smell marijuana over TWO Weiner dog's raging anal gland's discharge, as he stated as fact that he did on his 'Official' UHP Police Report. Thus, proving conclusively that UHP Chris Terry did deliberately violate the Plaintiff's guaranteed and protected Civil Rights (4th, 5th, 6th, 9th & 14th Amendments) and perjured himself to falsely charge, falsely arrest and falsely imprison a severely disabled and innocent American citizen which action would 'shock the conscious' of all who hear it and left Plaintiff with a true 'lingering death' (Rochin v. California, 342 US 165, 72 S. Ct. (1952); In Re Kemmler, 136 US 436, 438, 447 (1890))

DATED this 28th day of August, 2018
